CHAPTER PICNIC!

Thurs., 17 September, 1:30pm—??

Courtyard F (between B Wing & FAB)

*Come and enjoy food, drink & camaraderie!
Families and all our friends on campus are
welcome!*

As we begin our 2nd year without a new contract, are you wondering how negotiations are going? Our negotiating team has put in countless hours this summer. To find out the latest important developments, come to the

Membership Meetings!:

Wed., 9 Sept., 3:30pm, Golden Eagles

or

Thurs., 10 Sept., 1:40-2:40pm, SCI 101

Our negotiating team has been at the table now for 15 months—in *addition* to their full-time work here! They need our support! To back them up and show our appreciation, our chapter created an “**organizing committee**”, to put on events like the above, man info tables in Village Square, design buttons, etc. The more visible and vocal we are, the more we encourage the negotiators to bear down and finish. To pitch in & do your part, contact **Mary Ellen McGoey** or **Cathryn Bulicek**: contact info below.

The following are our newly elected chapter officers and representatives. Their contact information is included should you have questions or concerns.
